

Screening Workshop 15 March 2010

Welcome and introduction

Ursula Zybach

President Swiss Society for Public Health

The Swiss Society
for Public Health

**PUBLIC HEALTH SCHWEIZ
SANTÉ PUBLIQUE SUISSE
SALUTE PUBBLICA SVIZZERA**

All screening programmes do harm;
some do good as well,
and of these,
some do more good than harm at reasonable cost.

Muir Gray, BMJ 2008

Conclusion

Ursula Zybach

President Swiss Society for Public Health

The Swiss Society
for Public Health

**PUBLIC HEALTH SCHWEIZ
SANTÉ PUBLIQUE SUISSE
SALUTE PUBBLICA SVIZZERA**

... First priority, both immediate and long term: we must continue to improve the quality of medical care in Switzerland. We must improve nursing care; we must save more lives. ...

Federal Councillor Didier Burkhalter, 2010
